

Il Cecchino

Jaromil's Journal of Musings

1997

This novel is among the longest I've written at its subject is war. At the time it was written I had never seen a war zone myself, but later on, when I did experience life under curfew and constant military threat, I came back to some details and made it somehow more realistic.

Along with other selected novels, this is included in the collection *Il Cecchino e altre storie*¹ available as a e-book (PDF) for download.
