

Live in Wien

Jaromil's Journal of Musings

2002

This is a live recording of a improvised performance done in a small flat in Vienna and streamed live for the Obsevatory.02 festival in Valencia.

The idea of playing for a distant audience appealed us quite much, but after an hour the neighbors complained :^) so we had to stop.

Musicians involved:

- Umberto “Quartzbubu” Smerilli at the saxophone
- Stefano “Shezzan” Cinti at the congas
- Francescopaolo “Dindon” Isidoro improvising voice
- Me playing a semi-acoustic guitar

Only a low quality live recording is available (recorded and streamed using MuSE), unfortunately it is encoded in the proprietary MP3 format (Ogg/Vorbis was not yet existing at that time): `live_in_wien.mp3`¹
